A Proud Supporter  
of the CRA

# IS YOUR RESTAURANT EMV COMPLIANT?

The SecuraBull EMV compliance solution, fully integrates with your current POS system and offers you the security necessary to protect your business against charge-backs and credit card fraud. These solutions bring together cutting edge hardware, state of the art security, and a beautiful design. This will allow you to spend more time successfully operating your business, instead of worrying about the issues surrounding compliance.

Our Mobile Tableside Tablet Enhances Your Guests Dining Experience, Speeds Table Turns & Server Efficiency. This Also Addresses DinerIQ, Which Analyzes Payments and POS Data to Increase Guest Engagement and Customer Loyalty. All Designed To Improve Your Bottom Line!
